HEALTH & CLEANLINESS IS OUR #1 PRIORITY

Welcome to the Wyndham Grand Orlando Resort Bonnet Creek. We are excited for your stay with us!

Our team has implemented strict health and cleanliness procedures designed to help ensure a seamless experience for you and your loved ones. Wyndham Hotels & Resorts 'Count On Us' initiative adheres to the American Hotel & Lodging Association (AHLA) protocols, the U.S. Centers for Disease Control & Prevention (CDC) guidelines, and its 360-degree approach will comprise actions across all departments, including:

- Hand sanitizer dispensers that are placed at key guest and employee areas.
- All employees have received COVID-19 sanitation protocol training, and employees will follow Personal Protective Equipment recommendations from the CDC.
- All spaces are cleaned and disinfected multiple times per day, with extra focus on high touch areas such as elevators.

PLEASE NOTE: Only registered guests are allowed on resort property and in guest rooms. All guests must follow the direction of Hotel management and team members when given health instructions.

LET'S STAY COMMITTED TOGETHER
