"Since opening in 2011, our hotel has always done an outstanding job providing our guests with an upscale, clean and comfortable stay," says Wyndham Grand Orlando Resort Bonnet Creek General Manager Robert Fohr. "We recently were honored with the Best of Housekeeping Award from AAA and understand the increased importance of cleanliness for our guests in these times. Wyndham Grand Orlando Resort Bonnet Creek team members look forward to showing our guests that we are ready to welcome them back to our resort."

Wyndham Grand Orland Resort is part of Wyndham Hotels & Resorts, the world's largest hotel franchising company with approximately 9,300 hotels in 90 countries. The initiative immediately focuses on further elevating health and safety protocols at Wyndham hotels in the wake of COVID-19, shoring up critical supply chains and introducing new standards, training and guidelines grounded in guidance from the CDC. Wyndham has expanded its relationship with industry leader Ecolab on requiring consistent use of Ecolab's EPA-approved disinfectants in guestrooms and public spaces nationwide.
