

COUNT ON US HEALTH & WELL BEING PROTOCOLS

Wyndham Grand Clearwater Beach is committed to taking measures to enhance cleanliness and well-being. The following protocols were developed in accordance with CDC guidelines and other hotel industry best practices. It is anticipated that these protocols may evolve as needed to continue to reflect the recommendations of federal, state and local health authorities.

Team Member & Guest Health

WASHING HANDS & HAND SANITIZER

In accordance with CDC guidelines, all hotel team members shall wash hands frequently with soap and water and use at least 60% alcohol-based hand sanitizer if soap and water is unavailable. Hand sanitizer dispensers are placed at key guest and employee entrances and contact areas including lobby and reception areas restaurant entrances, meeting spaces, elevator landings, pools, exercise areas and other public areas throughout the property.

FRONT OF THE HOUSE SIGNAGE

Health, hygiene and physical distancing reminders are placed in high-traffic areas on property including the lobby, front desk, elevator banks, and other public spaces.

BACK OF THE HOUSE SIGNAGE

Signage is posted in the team member break room, cafeteria and other areas team members frequently enter or exit. Signage will remind team members of the proper way to wear, handle and dispose of masks, use of gloves, washing hands and to avoid touching their faces.

General Advice

WASH HANDS WITH SOAP AND WATER OR SANITIZER AT LEAST 20 SEC

DRY HANDS WITH A DISPOSABLE TOWEL, DON'T SHARE TOWELS

COVER COUGHS AND SNEEZES WITH A TISSUE OR FLEXED ELBOW, DISPOSE TISSUES

DO NOT TOUCH EYES, NOSE, MOUTH WITH UNWASHED HANDS

DO NOT SHARE PERSONAL OBJECTS AND HOUSEHOLD ITEMS

KEEP A SAFE DISTANCE FROM OTHERS

Team Member Responsibilities

HAND CLEANING

If not wearing protective gloves, all team members shall follow CDC guidance regarding hand washing. Team members shall wash their hands for at least 20 seconds, or use sanitizer when a sink is not available, after any of the following activities: using the restroom, sneezing, touching the face, cleaning, smoking, eating, drinking, accepting items from a guest (ID, cash, credit card, key card), taking a break, and before a shift and as needed throughout the shift. When possible, team members shall wear gloves for added protection and sanitation efforts. Proper hand hygiene, in accordance with CDC guidelines, should be followed prior to and after removing the gloves.

COVID-19 TRAINING

All team members shall receive COVID-19 training and facility sanitation protocols training recommendations from the CDC with more comprehensive training, consistent with the CDC, for team members with frequent guest contact including Housekeeping, Food & Beverage, Public Area Department, Hotel Operations, Security, Valet/Door/Bell Services, and Maintenance/Engineering.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

CDC recommendations along with federal and local government regulations shall dictate appropriate PPE to be worn by team members. PPE, along with appropriate training for use and disposal, shall be made available to any team member where required and upon request.

Cleaning Products & Protocols

PUBLIC SPACES AND COMMUNAL AREAS

Cleaning and disinfecting shall be frequent (multiple times per day) with an emphasis on frequent contact with hard non-porous surfaces including, but not limited to, front desk check-in counters, bell desks, elevators and elevator buttons, door handles, public bathrooms, vending machines, ice machines, room keys and locks, ATMs, escalator and stair handrails, gym equipment, pool seating and surrounding areas dining surfaces and all seating areas.

GUEST ROOMS

Cleaning and disinfecting protocols will require that particular attention is paid to high-touch, hard nonporous items including television remote controls, toilet seats and handles, door and furniture handles, water faucet handles, nightstands, telephones, in-room control panels, light switches, temperature control panels, alarm clocks, luggage racks and flooring. The frequency of room cleaning during a guest's stay may be altered based on guest requirements/requests.

LAUNDRY

Linens, towels and laundry shall be washed in accordance with CDC guidelines, including washing items as appropriate in accordance with the manufacturer's instructions. Where possible, launder items using the warmest permissible water setting for the items and dry items completely. Dirty linen shall be bagged in the guest room to eliminate excess contact while being transported to the laundry facility.

Cleaning Products & Protocols

HOTEL GUEST ELEVATORS

Button panels shall be disinfected at regular intervals, including the beginning of each housekeeping staff work shift and continuing throughout the day. Physical distancing is also encouraged.

BACK OF THE HOUSE

Cleaning and disinfecting of all high touch areas shall occur in accordance with CDC guidelines, including at least twice per day in high traffic areas. Handwashing stations and access to hand sanitizer should be convenient and highly visible.

SHARED EQUIPMENT

Shared tools and equipment shall be disinfected after each shift or transfer to a new team member.

ROOM RECOVERY PROTOCOL

In the event of a presumptive case of COVID-19, the affected guest room shall be removed from service and quarantined. The guest room shall not be returned to service until undergoing an enhanced cleaning and disinfecting utilizing Ecolab EPA approved products.

FOOD & BEVERAGE

Food and beverage service shall reduce in-person contact with guests and buffet service and also minimize dining items for increased sanitation. Traditional room service shall be replaced with a no-contact delivery method. Traditional buffet service shall be limited, but when offered, it should be served by an attendant wearing personal protection equipment (PPE), and utensils should be washed and changed more frequently. Portion controls should be emphasized to reduce food exposed for long periods. Sneeze and cough screens shall be present at all food displays. Minimal items should be placed on guest tables to allow for effective disinfection in between each guest, including condiments, silverware, glassware, napkins, etc. For certain segments, the use of prepackaged foods and 'grab & go' items shall be the preferred method of food delivery.

Physical Distancing

PHYSICAL DISTANCING & QUEUING

As recommended by the CDC's social distancing guidelines, guests shall be advised to practice physical distancing by standing at least six feet away from other groups of people not traveling with them, including any area where guests or employees queue. Such areas shall be clearly marked for appropriate physical distancing, and where possible, encourage one-way guest flow with marked entrances and exits. When applicable, lobby furniture and other public seating areas will be reconfigured to promote social distancing.

GUEST ROOMS

All rooms are fully cleaned and disinfected with EPA-approved products between guest stays. During your stay, you may contact the front desk for specific housekeeping needs. Please note we reserve the right to enter guest rooms for safety, security and maintenance purposes at any time. We'll always knock first.

MEETING & CONVENTION SPACES

Meeting and banquet arrangements shall allow for physical distancing between guests based on local requirements and CDC recommendations.

Physical Distancing

HOTEL FRONT DESK AND CONCIERGE

Front desk agents shall practice social distancing including utilizing every other workstation to ensure separation between employees whenever applicable and possible. The use of technology to reduce direct contact with guests, lobby population and front desk queue is encouraged, where feasible. In addition, contactless payment processes are encouraged.

HOTEL AMENITIES

Seating shall allow at least six feet of separation between groups of guests and may be subject to occupancy restrictions in order to achieve appropriate social distancing. These areas include the beach, pool, and fitness center among others.

BACK OF THE HOUSE

Physical distancing among all team members shall be practiced in team member dining rooms, uniform control areas, training classrooms, shared office spaces, and other high-density areas.
