RIO GRANDE, Puerto Rico (March 1st, 2022) – [Wyndham Grand Rio Mar Puerto Rico Golf & Beach Resort](#) unveiled today a new golf leadership team for the Rio Mar Country Club and a variety of new golf offerings and noteworthy developments for 2022. These new additions coincide with the upcoming [PGA Puerto Rico Open](#) (March 3-6, 2022) being played in Rio Grande, just minutes away from Wyndham Grand Rio Mar Puerto Rico Golf and Beach Resort.

The Rio Mar Country Club has enlisted a talented new management team, added to improve engagement, vitality and viability to the club for years to come, including new PGA Head Golf Professional & Director of Instruction, Brandon Roseth; Membership Sales and Communications Manager, Wilmarie Montijo Polo; Membership Concierge, Jeysha Geliga; Golf Course Superintendent, Brigido Miguel; and Assistant Golf Course Superintendent, Sean Wilt. These new leaders join Seth Henrich, PGA General Manager, Country Club Operations, in creating an exceptional golf experience for guests and members. The Country Club has had a banner past year, with memberships up across all categories, including an impressive 53% increase in Young Professional memberships, building the base for the future of the club. The Club is approaching membership capacity and expects to be completely sold out by mid-year 2022.

The golf experience has been enhanced for 2022 with a fleet of new 2022 Club Car Golf Carts, featuring Visage GPS. High-performing and packed with the latest technology, these Lithium-Ion golf carts save time, increase car reliability, and conserve energy to improve the overall performance of operations. Additional upcoming enhancement projects include irrigation system renovations for both the Ocean Course and the River Course and updates to the club's technology system.

Food and beverage offerings for golfers are also being upgraded, with a new menu at Iguanas Cocina Puertorriqueña, which serves authentic Puerto Rican flavors overlooking the golf courses. New menu items include a selection of tapas-style appetizers for groups including Mofongo & Kan-Kan, mini traditional plantain mofongos with pork belly chop in garlic and molasses, and Gambas al Barrilito, a garlic shrimp dish with Barrilito rum and lemon sauce. Golfers can also enjoy lunch and light bites at Hole in One, located in the center of the Ocean Course.

Rio Mar offers two championship golf courses, managed by Troon Golf, the leader in golf club management. Overlooking the Atlantic Ocean, the Mameyes River and El Yunque National Forest, these sprawling 18-hole courses showcase stunning views from every tee. The 6,716-yard Ocean Course, designed by award-winning golf course architects Tom and George Fazio, features a legendary 16th hole, considered one of the best in the Caribbean. Nearby, the 6,945-yard River Course, designed by two-time senior champion Greg Norman, features open greens, wide fairways, light rough and shallow bunkers, ideal for all golf levels.

Guests can also practice their golf skills on the driving range with chip and putting areas or sharpen their skills with PGA Professional led clinics and private lessons. The 35,00 square foot award-winning clubhouse features new locker rooms, innovative food and beverage, and a refined pro shop.
