GOTTA GET IT IN

GYM

We don't let you (or your work-out routine) down. Our gym goes well beyond the typical hotel fitness center, thanks to strengthen-your-core essentials like a battling rope, rowing machines, a boxing bag, treadmills, and Peloton bikes, plus access to one of DC's best personal trainers. Inspiring work-outs are updated daily on the gym's chalkboard walls.

Let's Get Together

(yeah yeah yeah)

Whether you're here to celebrate or get down to business, choose from the hotel's 15,000 square feet of beautifully designed event space. Our tech-savvy venues vary from outdoor spaces, a Studio for unique activations, a Ping Pong room for creative minds, and - of course - a 3,400 sq. ft. Ballroom that's perfect for just about any event. Whether you're hosting a board meeting, a yoga retreat, a rehearsal dinner, or a memorable micro wedding, our intimate event space can be customized to fit every need. Ask about our innovative audio-video capabilities and special rates for group accommodations. We look forward to welcoming you to a safe and clean space with seating adjusted to our new socially distant guidelines.

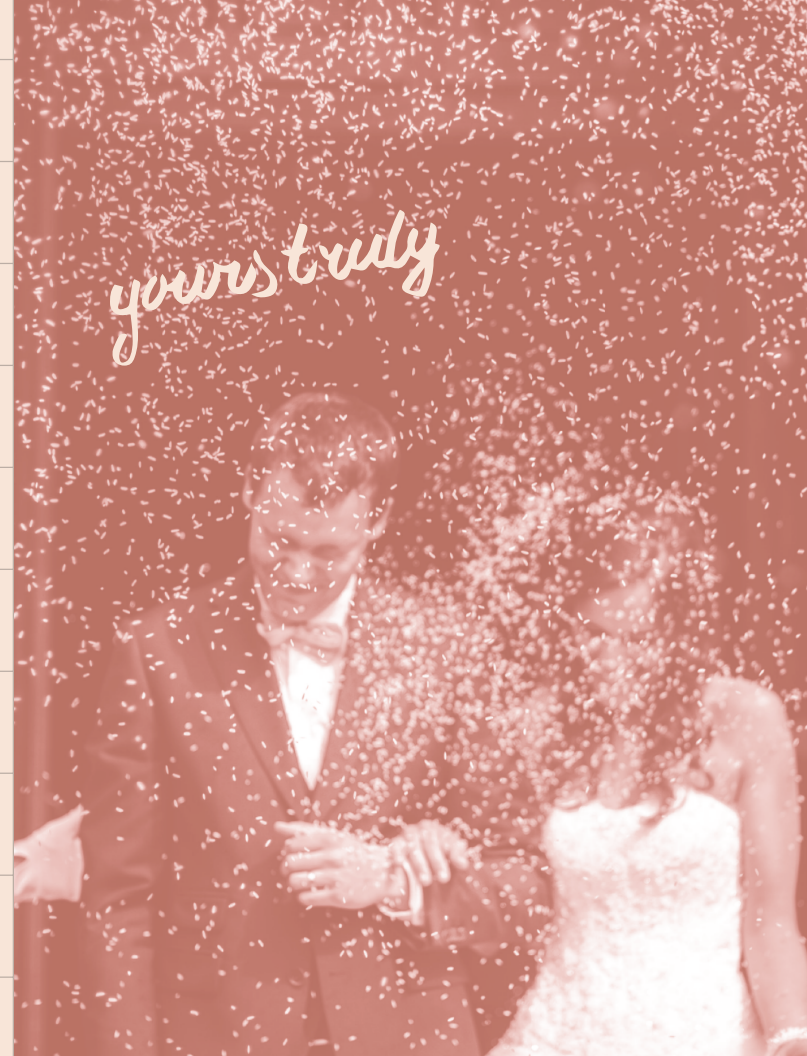

Get Productive

Let's link up and get the job done! Yours Truly is not your average meeting and event venue. Whether you're hosting a day of training with your startup, a meet and greet gathering, or a group lunch on the deck at Mercy Me, our hotel is stunningly suited for all of your event's needs. Book your meeting in one of our inspiring spaces and let the creativity thrive.

Safe Gatherings
(keeping things clean)

Your Safety is Important To Us

Due to the recent pandemic affecting Washington DC, we have heightened our sensitivity and awareness towards hygiene and cleanliness of our Hotel. We are following directions put forth by our local and national government in order to best identify and prevent any potential risk.

Guest Safety

Masks will be available for guests at the front desk and required for use while in public areas of the hotel. Hand sanitation stations will be available at the front desk and all public spaces.

Frequently sanitizing all surfaces with a special focus to high-touch areas, our Public Area Attendant uses EPA approved disinfectants.

Employees require temperature checks and a screening before entering the property. The screening will include questions about current symptoms and recent exposure to COVID-19-infected individuals. Those who don't pass will not be allowed to work on property.

Guests are asked to abide by similar self-screening protocols about current symptoms and recent exposure to COVID-19 prior to arriving and during their stay.

All guests and visitors must check-in upon arrival of hotel premises. All employees and restaurant staff will be equipped with masks, gloves, trained on new procedures, and take all reasonable precautions to ensure a safe environment for our guests.

Sleeping Rooms

Disinfectant wipes available upon request. Housekeeping service is only available for stays 7 days or longer per government ordinance.

Minibars will only be restocked upon departure or request. In-room information and menus will be available by QR code that can be scanned on mobile devices to access information digitally.

MercyMe

All front and back of house staff will be required to wear face masks and gloves. Guests will be required to wear face masks in public spaces and when not eating or drinking.

Menus will be single-use and available digitally through a QR code. Contactless payment options are available. Occupancy in food and beverage spaces will follow the government guidelines. Seating will be rearranged to allow for social distancing and following government guidelines. Mercy Me will be delivered via Caviar in disposable containers and left outside the guest room doors for contactless delivery.

The Gym and More

The gym will be open with occupancy limited to meet state and local guidelines. Elevators will be limited to one guest, couple, or family at a time. Valet parking services will be available for all guests.

Events

We're here for you and our priority is your health and safety. We look forward to welcoming back your groups, meetings, weddings, and everything in between. Our new safety measures and increased sanitation protocols can be found here.

Thank you for distancing

We are in this together and plan to maintain an atmosphere of mutual respect. With this, we ask everyone on property to follow social distancing rules by keeping at least six feet between each other or groups while on property.

truly yours

Kristofer Carlson, *General Manager*

TESTIMONIES FROM PREVIOUS GUESTS

First time to DC!

Centrally located, newly renovated hotel. Loved every minute. Covid precautions great. We had breakfast in the coffee shop both mornings. Coffee delicious and a good variety. A friend joined us to visit and the lobby made the perfect meeting spot where we could safely socially distance. We will be back

GUEST CATHY L, TRIPADVISOR, NOVEMBER 2020

Great for Local Getaway - Especially during COVID

I'm local to DC and stayed at Yours Truly for a mom weekend getaway. Yours Truly exceeded my expectations. The hotel's decor and serene environment starts upon entering. The plants, color palette, open dining room, music, and great drinks is perfect for a relaxing stay. The rooms are really spacious and VERY clean.

GUEST SHAUNIECE M, TRIPADVISOR, OCTOBER 2020

Stay In DC

Despite my concerns on staying at a hotel during COVID-19, Yours Truly DC provided impeccable services, hospitality and safety. I stayed 3 nights for a short trip to get away from home during the pandemic. All staff was very friendly and the location was great to walk around DC.
