

# LXR Hotels & Resorts takes over the third house of the chain

by Tobias Hackhe | 4th of December

The exclusive luxury brand LXR Hotels & Resorts does not tell anyone directly. The small brand was launched by Hilton in 2018 and is now taking over the third house in the chain. LXR Hotels & Resorts promotes groundbreaking travel experience in the world's most popular locations. On the main island of Anguilla, a British overseas territory in the Eastern Caribbean, the Zemi Beach House Hotel & Spa welcomes you in the future.

Back in February, we reported on the opening of the brand's second hotel, Biltmore Mayfair London. In addition, a fourth hotel is already being planned. The right property has already been found in Los Cabos, location of the Waldorf Astoria Los Cabos. The opening is scheduled to take place in 2022.

## Anguilla - popular destination also for cruises

Although Anguilla can have true dream beaches, such as the Rendezvous Bay or the secluded Little Bay, suffers the group of islands and neighboring countries under the cruise tourism. Several cruise ships travel to the port of Road Bay daily. You should be aware of that, because Anguilla depends on tourism.

On the islands of Anguilla are beautiful beaches where you are guaranteed rest. Many luxury hotels settle on the beaches for a luxurious Caribbean getaway.

## Zemi Beach House Hotel & Spa

The third hotel of the chain is located in the north of the main island on Shoal Bay Beach. The hotel comprises a total of 65 luxurious rooms and villas, most of which overlook the sea. The rooms and villas are stylishly furnished and some have a private pool.

Villa with private pool

Some rooms are decorated with wood accents, others are very bright.

For recreation, the hotel guests have a pool and a large spa area. Furthermore, a tennis court can be used. In addition, the hotel offers yoga classes, and beach volleyball can be played on the sandy beach.

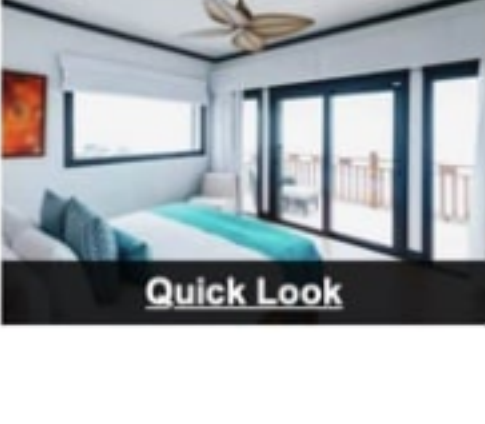

Spa area at Zemi House Hotel & Spa

The guests can also look forward to a wide culinary offer. In addition to several beach bars, the hotel houses a *Rhum Room* - a tasting room for rum with over 100 varieties waiting to be sampled. In addition, in the beach restaurant you can enjoy *20 knots* on international cuisine with influences from Latin America. It is more elegant in the *Stone* . In the Stone you can enjoy seasonal dishes as well as freshly caught fish, true to the motto "from the sea to the plate".

For all those with a Hilton status, which is available in Germany for only 52 francs a year with the [Hilton credit card](#) , the new hotel is a very interesting option. Meanwhile, the hotel is also bookable through Hilton.

Now it is also known that the hotel is bookable for 95,000 Hilton Honors points. For 5 nights, the 380,000 Hilton Honors points. For reward stays, the fifth night is always free. With prices starting from 630 euro the redemption of Hilton Honors points is definitely an interesting option.

## Conclusion for the new LXR Hotels & Resorts Hotel on Anguilla

The new Hilton luxury hotel in Anguilla is definitely a very interesting addition and will not only allow you to benefit from attractive status benefits, but also save you a lot of money thanks to Hilton Points. The Zemi Beach House Hotel & Spa is the third hotel of its kind. A fourth is already planned in Los Cabos. It will also be interesting to see what development the LXR Hotels & Resorts brand will take.
