The Caribbean is Back

by Eva Zhu

The Caribbean has been hit with devastating hurricanes in recent years, but many if not all of the islands have bounced back and are ready to welcome visitors. These [5-star Caribbean resorts](#) have rebuilt, redesigned and reopened with even more luxury than before.

The Caribbean is Back

7/10

Zemi Beach House Hotel & Spa | Shoal Bay East, Anguilla

[Zemi Beach House Hotel](#) was the first to reopen after Hurricane Irma devastated much of [Anguilla](#). Following months of repairs, the hotel on famous [Shoal Bay Beach](#) has been welcoming guests since February. In addition to restoring the hotel's former splendor, the suites and beachfront villas were also refurbished and both the fine dining and casual restaurants have launched delicious new menus.
