## Zemi Beach House Resort & Spa: Anguilla, West Indies

Zemi's infinity pool, which overlooks Shoal Bay, features an underwater "aquarium-style" window facing the beach and appears to seamlessly flow into the sparkling turquoise Anguillan waters. The Tranquility Pool, the hotel's second infinity pool, is ideal for relaxation. This chic island retreat sits adjacent to 6 acres of Anguilla's Fountain Cavern National Park, a lush tropical reserve. (DYLAN CROSS, TAMBOURINE/COURTESY OF ZEMI BEACH HOUSE)
