Recent guests said the accommodations and service at this resort overlooking [Anguilla's Shoal Bay East](#) are exceptional. Sprawled across 6 acres, the resort's 65 rooms and suites come equipped with deep soaking tubs, walk-in showers and furnished balconies with pool, resort or ocean views. Past visitors loved the spacious layouts of their accommodations (which range from 600 to 2,826 square feet) and the contemporary Caribbean interior design (think: natural wood furnishings with crisp white linens and accents). Lodgers were equally impressed with the outdoor infinity pool, which overlooks the ocean and is considered one of [the world's most beautiful](#), as well as the spa, which is housed within a 300-year-old Thai house and features a hammam, rain showers, a juice bar and a meditation garden. The resort also offers a fitness center, yoga classes and a beach boot camp, but if you'd rather get your adrenaline pumping in the water, you can ask the beach concierge to organize water activities, such as kayaking and snorkeling. Though the resort's dining selection is more limited (there are two on-site restaurants), the property's convenient location makes it easy to explore nearby eateries. You'll also find three bars on-site. What's more, as part of [Preferred's](#) portfolio of hotels, this property participates in the [I Prefer Hotel Rewards](#) program.
