These new awards celebrate hotels worldwide that are best-of-the-best in delivering high quality standards and exceptional, personalized experiences to members of the brand's I Prefer Hotel Rewards program, as determined by votes collected from I Prefer members in December 2018. Forty hotels were selected as winners across four regional categories, with New Orleans' iconic Hotel Monteleone voted the #1 hotel globally, and top honors in the other regions going to Pulitzer Amsterdam in the Netherlands, Royal Plaza on Scotts in Singapore, and Half Moon in Jamaica.

"We are thrilled to give our valuable I Prefer members a platform from which they can be active storytellers on behalf of Preferred Hotels & Resorts, voicing their opinions on which hotels consistently go above and beyond to engage them in a memorable loyalty experience and inspire repeat visits," said Jeri Salazar, Vice President of Marketing Strategy & Loyalty, Preferred Hotels & Resorts. "Many congratulations go out to these hotel partners for making such a strong impression on our guests."

Ten hotels were announced as winners within each of the four regional awards categories.
