Anguilla is the ultimate tropical destination with stunning beaches, an inspired culinary scene and of course luxury accommodations. The award-winning Zemi Beach House is a luxury boutique hotel nestled on six oceanfront acres of Anguilla's Shoal Bay East. It blends contemporary luxury with experiences anchored in the rich island tradition; from nourishing treatments to warm-weather activities. Choose from an island style penthouse suite or a beachside villa suite fitted with climate control, minibar and more. When you're not in your seaside retreat, head to the pools and cabanas for a dip or tan, then dine on Caribbean-inspired seasonal cuisine at two restaurants, sample high-end rhums at the Rhum Room and dine alfresco with ocean views and the ocean breeze. Those in need of some pampering can go to the Zemi Thai House Spa and unwind with a selection of massages, treatments, healing rituals and facials, inspired by the indigenous people of Anguilla.
