

### Shoal Bay Zemi Beach Club, Anguilla

---

Hurricane Irma wasn't enough to keep our favorite upscale beach bar in Anguilla down for good. Welcome back the [Zemi Beach Resort & Spa](#) and its swoon-worthy beachfront bar and restaurant, Shoal Bay Zemi Beach Club, which reopens on February 15, 2018. Soak in the sun and sip on colorful cocktails like "Caribbean Heat" (Sapphire gin, simple syrup, pepper syrup, mint leaves) while gazing out at Shoal Bay East, arguably the most prized of Anguilla's 33 beaches.
