A FASHION PICTORIAL FEATURING DOUG JEFFERY

Photography: Deja Jordan

Makeup/Hair: Katarina Van Derham

Styling: Sean Panella

Location: Zemi Beach House, Anguilla

He dreams of being a vagabond: no rules, no care.

But to leave all his work behind, he wouldn't dare.

For a brief moment, his mind drifts away,

Finding a beachy shore where he longed to stay.

Though his spirit never felt more free,

He woke to find it wasn't meant to be.

QUINN
