Pristine and picturesque, the tiny Caribbean isle of Anguilla has cultivated the well-earned reputation as the smallest package that opens to reveal the most glorious jewels of all. This piece of Paradise quietly boasts stunning white sand beaches stretching in peaceful harmony along sparkling turquoise waters, their clarity revealing colorful coral gardens and infinite tropical fish darting below. Amazing snorkeling and diving to historic shipwrecks draws connoisseurs of Caribbean life and all its beach charms to this British territory, a ferry ride away from neighboring St. Martin and St. Barths.

Anguilla captures the sought-after serenity, the unhurried pace of island life, the secluded coves and islets that create the magic and romance of Caribbean brilliance. *Zemi Beach House* is the island's newest boutique luxury hotel and spa, its presence a contemporary residential style retreat beckoning discerning travelers to discover the wonders of Anguilla. Zemi Beach House prestigious Shoal Beach East location is considered one of the Caribbean's top beaches, its dreamlike long pristine stretch of radiant soft clean sand is alluring, blissfully peaceful and uncrowded. Beautiful natural surrounds, tropical gardens, terraces and three pools for swimming and the ultimate in relaxation frame the hotel and spa. Soothing waters invite snorkel and diving enthusiasts and families with young children. Couples seeking a romantic getaway, wedding parties and honeymooners, friends, families, and solo travelers, will experience finest comfort, style, tranquility at Zemi Beach House and access to all the sights and activities on this rarefied 33 sq. mile island. Explore a cave with prehistoric petroglyphs, wildlife conservancy, sail, cruise, ATV, golf, follow the Heritage Trail in The Valley, Anguilla's sleepy capital, and discover casual and fine dining, galleries, museums, and water sports to satisfy every traveler.

Zemi embraces a contemporary Caribbean style throughout, from its welcoming entrance to the exquisite decor of guest rooms and suites, the soothing neutrals, light woods, local art and fretwork, and top end designer bathrooms with double vanities, Brazilian petrified wood and deep soaker tubs. Sumptuous comfort accented by organic fabrics, white Frette Premium linens, plush white robes, Malin and Goetz bath amenities, extends to seating areas and furnished private balconies. Personalized mini bars stocked with Caribbean treats, wireless Bluetooth sound system, WiFi, and motion sensor climate control. Boutique elegance in each of the 60 guest rooms tells a story that embodies nature, pride in Anguillian people and culture, and a deep connection to the sea. Suites and beachfront villas offer 1, 2, and 3 bedroom options, some with rooftop terrace, private pool, high tech amenities, culminating in the breathtakingly grand Celebrity Suite. Ocean views are breathtaking.

Dining at Zemi Beach House two dining venues celebrates hand crafted cuisine with all that is natural, organic, and local, emphasizing sustainable practices in fishing and farming. *STONE* and *20 Knots* are extraordinary in creating menus that are inclusive of Anguillian culture, fisherman's stew, curried mussels, grilled spiny lobster, and international tastes with Latin American influences, Asian dishes, and European favorites. Three bars feature top Caribbean mixologists... the oceanfront Beach Bar on the sea splashed sands known for memorable sunsets and gatherings of friends and soon-to-be friends; the Bohio Bar and Lounge for music, mixed drinks, champagne and fine wines; and finally, The Rhum Room, where the rhumelier bartender offers a selection of more than 100 small batch single estate Caribbean rums for tasting in a setting where rum colored leather couches and special lighting creates an ambience to delight aficionados and enthusiasts alike.

A Centuries old Thai house arrived in tiny Anguilla, a surprising element of architecture that has been harmoniously reincarnated into the signature Zemi Thai House Spa. Unique architecture inspires creative experiences within the sanctuary of private spa suites and meditation gardens, and additionally the Caribbean's only authentic stone hammam. The spa menu offers Thai and an array of traditional massage, holistic treatments, rejuvenating, and restorative wellness rituals honoring ancient island traditions. Emerge relaxed and renewed, visit the juice bar, yoga deck, rain showers, and walk the gardens where the serenity of orchid scents will bring peaceful harmony to those who have chosen the transformative stay at Zemi Beach House Hotel & Spa, Anguilla.
