Anguilla

The secret's out. The Caribbean island of Anguilla attracted a record-breaking number of tourists in 2019 and visitors just keep coming. Its annual **Moonsplash Reggae Festival**, called one of the "world's greatest beach parties," is set for March 2020 and for two weeks in April, the island's **Extraordinary Eats Festival** will feature local food and culture. The **Anguilla Summer Festival** heats things up from late July to early August by celebrating the Emancipation Act of 1833, which freed the slaves in this former British colony. Beach lovers can simply relax on the beachfront, shown here, of the award-winning **Zemi Beach House & Spa**. See the **Anguilla** website for details and the exact dates of the festivals, which will be posted before the end of 2019.
