VERIFIED LUXURY

[LEARN HOW WE INSPECT](#)

In the central hub of Zemi Beach House Hotel & Spa, the palm-lined, zigzagged-shaped pool points like an arrow to the turquoise ocean waters under bright blue skies. Whether you wander over to the white sands along Shoal Bay East or prefer to stay poolside, the scene captures the essence of [Anguilla](#).

You'll also find a sense of place in the alfresco restaurant along the beach where plates of fresh seafood come with ocean breezes, and in the stylish rum bar, where you can get a real taste of the Caribbean spirit.

Inside Zemi Beach House, soft neutrals and earthy wooden furnishings engage and calm your senses. Contemporary fixtures and exquisite fretwork conjure modern luxury with a touch of Caribbean flair.

The only place that takes you out of Anguilla is the spa. The luxurious Zemi Thai House Spa draws influences from Thailand to create a serene space and pampering treatments.
